

COLLECTION OF SITUO® REMOTE CONTROLS

My lifestyle, **my Situo**

somfy®

In perfect
harmony...

...with your interior

Sleek outlines and ergonomic curves make the Situo® collection more than just a remote control for your motorized applications. Aesthetically pleasing in every detail!

Control your shades with the touch of a button. With Situo Variation's unique scroll wheel, you can manage natural light with precise tilt control of blind slats and sheer vanes.

Bring your home to life with Somfy.

Timeless and refined design

The finishes match your personal style and blend seamlessly into your interior decor. Modern soft-touch, flawless handling and discreet wall support, every detail has been refined for your day-to-day comfort.

About Somfy

SOMFY® is the leading global manufacturer of strong, quiet motors with electronic and app controls for interior window coverings and exterior solar protections. Over 270 million users worldwide enjoy the more than 170 million motors produced by Somfy. During the past 50 years, Somfy engineers have designed products for both the commercial and residential markets to motorize window coverings such as interior shades, wood blinds, draperies, awnings, rolling shutters, exterior solar screens and projection screens. Somfy motorization systems are easily integrated with security, HVAC and lighting systems providing total home or building automation.
